

## EVALUATION

Please complete this evaluation form. We will pause after each presentation so that you can answer questions pertaining to that presentation. At the conclusion of all the presentations, we will ask you a few questions about the session as a whole. Your feedback is vitally important to us! Please share your thoughts so that we can better serve Exeter. Your responses will help us to improve our presentation and tailor it to your needs. Please tell us what's working and what isn't.

Thank you for your support!

**Please write your job title/affiliation:** \_\_\_\_\_

**How many years have you worked in this position?** \_\_\_\_\_

**SECTION I. For each individual presentation, please tell us whether you agree with the following statements (*circle one number for each statement*)**

<b>Cameron Wake (Climate Change Possibilities)</b>	Strongly Disagree	Disagree	Neutral	Agree	Strongly agree
1. Overall, the presentation of the material was effective:	1	2	3	4	5
2. This presentation helped me to envision how my work relates to climate change and preparing for the impacts of extreme weather	1	2	3	4	5
3. The pictures, graphs, and data presented were engaging	1	2	3	4	5

4. What stands out most about what you have just heard? What images or information resonates with you?

5. What part of the presentation could have been better? Please explain (use back of page if needed)

*please turn over*

<b>Paul Kirshen (Water Resources)</b>	Strongly Disagree	Disagree	Neutral	Agree	Strongly agree
1. Overall, the presentation of the material was effective:	1	2	3	4	5
2. This presentation helped me to envision how my work relates to climate change and preparing for the impacts of extreme weather	1	2	3	4	5
3. The pictures, graphs, and data presented were engaging	1	2	3	4	5

4. What stands out most about what you have just heard? What images or information resonates with you?

5. What part of the presentation could have been better? Please explain (use back of page if needed)
